Ecumenical Service at Notre Dame, Paris
3 December 2015 at 19:30

To mark the UN Climate Conference in Paris 2015, an ecumenical service for the protection of creation is being organized by the Council of Christian Churches in France, at Notre Dame, Paris, on 3 December 2015 at 19:30.

Christians belonging to different confessions from Paris and the surrounding region of the Île de France, climate pilgrims and leaders of Christian churches and agencies are invited to this event. All are welcome and this invitation and the registration form can be transmitted to others in your networks.

For organizational and security reasons, we ask you to be kind enough to register using the attached form and sending it to the following email address: COP21.cecef@gmail.com

You will receive more information by email in November about the service.

The Council of Christian Churches in France is encouraging Christians to support the conference through common prayer. The outline of the service in Notre Dame will be available in October in French and English to help local groups prepare their own ecumenical services. It will be downloadable on the website: www.cecef.fr
